

STUMP GRINDER

TRACKLESSVEHICLES.COM

STUMP CLEANUP AND REMOVAL MADE EASY.

The Trackless front-mounted Stump Grinder has a 24" diameter rotor with 34 bolt-on carbide teeth. The tractor's hydraulic system powers the Stump Grinder.

Joystick controls provide precise and accurate operation of the Stump Grinder when lowering, tilting or manoeuvring the cutting head. The attachment and tractor can be easily manoeuvred and driven from one job site to another.
